# PROFILE CHANNEL SERIES

## TBD.E6

### 5 MM FLANGELESS PROFILE CHANNEL

A channel suitable for super tight spaces. This durable Anodized Aluminum Profile Channel not only adds a great finished appearance to your space, but also protects LED chips from dust, and provides superior thermal management for higher wattage LED strips, prolonging the overall lifetime of the lighting system. Patented diffusers maximize lumen output and beam distribution.

### FEATURES

- Surface or Recessed Mount
- Indoor / Outdoor
