# PROFILE CHANNEL SERIES

## TBD.E7S

### FLANGELESS PROFILE CHANNEL

Flangeless Channel

A shallow flangeless profile. This durable Anodized Aluminum Profile Channel not only adds a great finished appearance to your space, but also protects LED chips from dust, and provides superior thermal management for higher wattage LED strips, prolonging the overall lifetime of the lighting system. Patented diffusers maximize lumen output and beam distribution.

### FEATURES

- 160° Beam Spread
- 2 endcaps included
- Lens options: Clear or Frosted (sold separately)
- Custom cut lengths available
- Finish: Anodized Silver or Black
